*Recycling is simple and easy....Does it tear? Is it clean? Then recycle it!!*

*Remember: Glass is no longer recyclable. Please place in with your trash!*

## Tips on Preparing Your Single Stream Recycling

You may use any rigid household bin or barrel to place your recycling curbside for collection. There are no limits on size, but the container should be clearly marked "RECYCLING." You may label it yourself, or stop by the Department of Public Works at 27 Bisson Ave. for free recycling stickers. Local home/garden stores sell suitable containers, or if you prefer, the DPW sells 18-gallon recycling bins for \$9.00 each. Please place your recycling container at least three (3) feet away from your trash containers. Questions? . . . See the City web site at <https://www.laconianh.gov/679/Solid-Waste-Recycling> or call 603-528-6379.

**Remove ALL plastic bags and liners: These items will damage the sorting equipment at the Single Stream Recycling Facility**

NOTE: Styrofoam is not recyclable on the east coast. Dispose of styrofoam with your trash.

**GLASS:** Currently, it is not economically viable to recycle glass. Please place glass items with your trash.

**Yard Waste Collections:** **Spring 2019:** May 6 - May 10      **Fall 2019:** November 4 - November 8  
May 20 - May 24      November 18 - November 22

**Bulky Item Pickup:** - see City website for details. Go to <https://www.laconianh.gov/734/Curbside-Pick-Up>

### Disposing of Corrugated Cardboard

The City's corrugated cardboard compactor is now in operation. It is located at 257 Messer Street and is open 24 hrs. a day/7 days a week. Corrugated cardboard must be broken down and put into the enclosure next to the compactor. Any form of clean corrugated cardboard is acceptable. **We do not accept pizza boxes and paperboard such as cereal boxes or shoe boxes.** Please remove all loose plastic from the cardboard such as bubble wrap, air pillows, etc. Please do not stack boxes outside of the fence area. **Thank you for your cooperation!**
